# Dream Piano-5000©

Dream Piano-5000© packages is a new expanded sound library of top quality Piano and Keyboard sounds. They were specially designed to be used in digital pianos and other musical instrument products using Dream© SAM5000 series of proprietary DSPs.

The Dream Piano sound packages contain some of the finest Grand Pianos, Vintage Tines Electric Pianos, and FM Electric Pianos, Harpsichords, Vibraphones, Choirs and String Ensembles designed for Dream DSPs.

Each Acoustic Piano is available in 5 sizes, which allows selection according to taste and to the available memory size used by the hardware design.

Dream Piano-5000© package sounds can be used for SAM5000 ICs only.
